BHARAT KSHIRSAGAR

0788 771 7911   bharatkshirsagar003@gmail.com   Pune 411035

Dynamic and detail-oriented AI and Data Science student pursuing a Bachelor's degree in Artificial Intelligence and Data Science. Solid foundation in computer science and programming with a focus on C++ and Python. Proficient in data structures, algorithms, and web development using Django. Familiar with frontend technologies (HTML, CSS, JavaScript) and proficient in backend technologies. Strong understanding of Database Management Systems (DBMS) and version control using Git and GitHub. Proven ability to collaborate effectively within a team and deliver high-quality solutions.

Skills

- Programming Languages: Proficient in C++ and Python, with a strong emphasis on data structures and algorithms.
- Database Management: Solid understanding of Database Management Systems (DBMS).
- Problem Solving: Strong problem-solving abilities through academic coursework and real-world coding challenges.
- IOT and Software Engineering: Familiarity with Internet of Things (IoT) concepts and Software Engineering principles.
- Machine Learning: Fundamentals in machine learning, with a focus on AI applications.
- Data Analysis: Basic skills in data analysis using Python libraries like Pandas and NumPy.
- Web Development: Experienced in Django framework, HTML, CSS, and JavaScript.
- Version Control: Proficient in using Git and GitHub.
- Operating Systems: Knowledge of operating system principles and functionalities.
- Computer Networks: Understanding of computer network architectures, protocols, and communication.
- SDLC (Software Development Life Cycle): Understanding of various phases of SDLC.

Education

Bachelor of Engineering in Artificial Intelligence and Data Science Candidate   GPA 8.6
D. Y. Patil College of Engineering, Akurdi, Pune, Pune
Expected graduation April 2025

Additional Information

Currently pursuing a Bachelor's degree in Artificial Intelligence and Data Science.
No industrial experiences yet; seeking an internship opportunity to apply and enhance skills.
Actively participated in college coding clubs and collaborative problem-solving activities.
CGPA: 8.9/10, HSC: 97.83.,SSC: 94
